Notification of Expanded Pricing Grid for Precious Metals Products Containing Platinum and Gold - Excluding Commemorative Gold Coins

Agency: United States Mint, Department of the Treasury

ACTION: Notice.

SUMMARY: The United States Mint published a document in the *Federal Register* on January 6, 2009, outlining the new pricing methodology for numismatic products containing platinum and gold. Since that time, the price of platinum and gold has increased considerably, and is approaching the upper bracket of the pricing grid. As a result, it is necessary to expand the pricing grid by adding additional pricing brackets.
