**[Docket No. FMCSA-2011-0373]**

**Hours of Service of Motorcoach Drivers**

**AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), DOT.

**ACTION:** Notice of public listening session.

**SUMMARY:** FMCSA announces that it will hold a public listening session to solicit information, concepts, ideas, and information on hours-of-service (HOS) requirements for motorcoach drivers. Specifically, the Agency would like to know what factors, issues, and data may be pertinent as it considers development of a rulemaking on these requirements. The session, which will be held in Grapevine, Texas, will allow interested persons to present comments, views, and relevant new research. This listening session will be recorded and a transcript of the public meeting will be placed in the docket for FMCSA's consideration, as well as all comments submitted during the session. The listening session will also be webcast via the Internet.

**DATES:** The listening session will be held on Monday, January 9, 2012, in Grapevine, TX (near Dallas, TX). The listening session will be held from 10:00 a.m. until noon, CT, and from 2:30 p.m. until 4:30 p.m. CT, or earlier, if all participants wishing to express their views have done so.

**ADDRESSES:** The January 9, 2012, meeting will be held at the Gaylord Texan Resort & Convention Center, 1501 Gaylord Trail, Grapevine, TX, 76051-1945. The hotel telephone number is 1-817-778-2000.

Internet Address for Live Webcast. FMCSA will post specific information on how to participate via the Internet on the FMCSA web site at <http://www.fmcsa.dot.gov>.

If you need sign language assistance to participate in this HOS listening session, also contact Ms. Shannon L. Watson, at the above phone number, by Thursday, January 6, 2012, to allow us to arrange for such services. There is no guarantee that interpreter services requested on short notice can be provided.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The HOS requirements for motorcoach operators have not been substantially revised in several decades. The FMCSA did not include changes to the motorcoach HOS requirements in its April 28, 2003 final rule (68 FR 22456) concerning HOS requirements for truck drivers or in subsequent revisions of that rule because the Agency did not have enough data and information on motorcoach operations to form the basis of a rulemaking. Motorcoach operations differ significantly from trucking operations and the information

upon which the Agency relied for its truck drivers' rule did not address the unique fatigue issues associated with the scheduling and operating practices of the motorcoach industry.

The current HOS rules for passenger-carrying commercial motor vehicle (CMVs) operations allow up to 10 hours of driving time following 8 consecutive hours off duty. Driving is prohibited after the operator has accumulated 15 hours of on-duty time following 8 consecutive hours off duty (15-hour rule). However, miscellaneous off-duty periods during the day are not counted in the 15-hour window. Therefore, the amount of time between the beginning of the work day and driver completing all driving tasks may exceed 15 hours.

With regard to weekly limitations, drivers of passenger-carrying CMVs are prohibited from driving after accumulating: 60 hours of on-duty time in any 7 consecutive days if the employing motor carrier does not operate CMVs every day of the week; or, 70 hours in any period of 8 consecutive days if the employing motor carrier operates CMVs every day of the week.

## **II. Meeting Participation and Information FMCSA Seeks From the Public**

The listening session is open to the public. Speakers' remarks will be limited to 5 minutes each. The public may submit material to the FMCSA staff at the session for inclusion in the public docket, FMCSA-2011-0373.

The Agency seeks data and answers relating to the following issues and questions. The comments sought below may be submitted in written form at the session and summarized verbally, if desired.

1. Driving Time. FMCSA seeks information or data that examine fatigue and safety differences associated with different driving time periods.

2. Duty Time/Driving Window. FMCSA solicits information on patterns of work for motorcoach drivers.

3. Time-On-Task (TOT) Function. The Agency seeks comments and information on methods for evaluating fatigue associated with the time motorcoach operators spend on the actual driving task during the work day. The Agency is interested in suggestions for estimating TOT effects, especially information on where it might obtain data on exposure and other motorcoach driver characteristics that would enable it to estimate how or whether crash risk varies over successive hours of daily driving.

4. Cumulative Fatigue. The Agency seeks comments and information on the effects of cumulative fatigue during the work week, particularly in the form of scientific studies or data that would allow evaluation of cumulative fatigue and its impact on workplace safety, motorcoach driver safety performance, and productivity.

### **III. Alternative Media Broadcasts During and Immediately After the Listening Session on January 9, 2012**

FMCSA will webcast the listening session on the Internet. Specific information on how to participate via the Internet and the telephone access number will be on the FMCSA web site at <http://www.fmcsa.dot.gov>. FMCSA will docket the transcripts of the webcast and a separate transcription of the listening session that will be prepared by an official court reporter
