SUPPLEMENTARY INFORMATION:

Background

The Green Building Advisory Committee will provide advice to GSA as specified in Public Law 110-140, as a mandatory Federal advisory committee. Under this authority, the Committee will advise GSA on the rapid transformation of the Federal building portfolio to sustainable technologies and practices. The Committee will focus primarily on reviewing strategic plans, products and

activities of the Office of Federal High-Performance Green Buildings and providing advice regarding how the Office can most effectively accomplish its mission.

Agenda: Wednesday, May 9, 2012.

- Introductions and plans for today's meeting
- Green building certification system review report
- High Performance Green Building Demonstration project at Fort Carson, Colorado
- Updates on other current priority projects of GSA's Office of Federal High-Performance Green Buildings
- 30 minute public comment period for individuals pre-registered per instructions above. Each individual will be able to speak for no more than 5 minutes.
- Closing comments

Meeting Access: The Committee will convene its meeting at: US Access Board Conference Room, 1331 F Street, NW, Suite 800, Washington, DC 20004. Persons attending meetings in

the Access Board's conference space are requested to refrain from using perfume, cologne, and other fragrances (see <http://www.access-board.gov/about/policies/fragrance.htm> for more information).

Dated: April 18, 2012
