**Amendments to ONRR's Website and Mailing Addresses and Payment Definitions**

**AGENCY:** Office of Natural Resources Revenue, Interior.

**ACTION:** Final rule.

---

**SUMMARY:** On May 19, 2010, the Secretary of the Interior separated and reassigned responsibilities previously performed by the former Minerals Management Service (MMS) to three separate organizations. As part of this reorganization, on October 1, 2010, the Secretary established the Office of Natural Resources Revenue (ONRR) within the Office of the Assistant Secretary—Policy, Management and Budget (PMB). At the same time, ONRR reorganized its regulations from chapter II of title 30 of the *Code of Federal Regulations* (CFR) to chapter XII. This final rule amends website and mailing addresses and payment definitions listed in 30 CFR chapter XII.

**DATES:** This rule is effective on **[INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

**FOR FURTHER INFORMATION CONTACT:** For questions on technical issues, contact Barbara Fletcher, Minerals Revenue Specialist, ONRR, telephone (303) 231-3605; or e-mail [barbara.fletcher@onrr.gov](mailto:barbara.fletcher@onrr.gov). For questions on procedural issues, contact

## **SUPPLEMENTARY INFORMATION:**

### **I. Background**

On May 19, 2010, by Secretarial Order No. 3299, the Secretary of the Department of the Interior (Secretary) announced the restructuring of MMS. On June 18, 2010, by Secretarial Order No. 3302, the Secretary announced the name change of MMS to the Bureau of Ocean Energy Management, Regulation, and Enforcement (BOEMRE). By these orders, the Secretary separated and reassigned the responsibilities that the former MMS previously performed to three separate organizations: the Office of Natural Resources Revenue (ONRR); the Bureau of Ocean Energy Management (BOEM); and the Bureau of Safety and Environmental Enforcement (BSEE). The ONRR is responsible for royalty management functions.

### **II. Explanation of Amendments**

In this final rule, ONRR merely amends its website and mailing addresses and payment definitions listed in parts of title 30 CFR, chapter XII. This final rule does not make any substantive changes to the regulations or requirements in chapter XII. This rule will not have any effect on the rights, obligations, or interests of any affected parties. Thus, under 5 U.S.C. 553(b)(B), ONRR, for good cause, finds that notice and comment on this rule is impracticable, unnecessary and contrary to the public interest. Additionally, because this document is a “rule[] of agency organization, procedure or practice” under 5 U.S.C. 553(b)(A), this document is, in any event, exempt from the

notice and comment requirements of 5 U.S.C. 553(b). Lastly, because this non-substantive rule makes no changes to the legal obligations or rights of any affected parties, and, because it is in the public interest for this rule to be effective just as soon as possible, ONRR finds that good cause exists under 5 U.S.C. 553(d)(3) to make this rule effective immediately upon publication in the **Federal Register** rather than 30 days after publication.

As noted, this final rule amends the following 30 CFR parts and the related existing subparts:

- Part 1210—Forms and Reports.
- Part 1218—Collection of Royalties, Rentals, Bonuses, and Other Monies Due the Federal Government.

These amendments to the regulations are explained further in the following sections:

*A. PART 1210—FORMS AND REPORTS*

We are revising part 1210, subparts A, B, C, D, E, and H.

*ONRR's website and mailing addresses.* The ONRR is amending its website and mailing addresses due to its reorganization. We also are updating these addresses to continually accomplish our mission and place the least burden on industry when manually submitting production and royalty forms, additional information, etc.

*B. PART 1218—COLLECTION OF ROYALTIES, RENTALS, BONUSES, AND OTHER MONIES DUE THE FEDERAL GOVERNMENT*

We are revising part 1218, subparts B and H.

*ONRR's website and mailing addresses.* We are amending these addresses due to our reorganization and in order to accomplish our mission and to place the least burden on

industry when manually submitting production and royalty forms, additional information, etc.

*ONRR's payment definitions.* We also are amending these payment definitions and adding the definition of *Pay.gov* to accomplish our mission and to place the least burden on industry when paying royalties, rentals, bonuses, and other monies due the Federal Government.

### **III. Procedural Matters**

#### *1. Regulatory Planning and Review (Executive Orders 12866 and 13563)*

Executive Order (E.O.) 12866 provides that the Office of Information and Regulatory Affairs (OIRA) will review all significant rules. The Office of Information and Regulatory Affairs has determined that this rule is not significant.

Executive Order 13563 reaffirms the principles of E.O. 12866 while calling for improvements in the nation's regulatory system to promote predictability, to reduce uncertainty, and to use the best, most innovative, and least burdensome tools for achieving regulatory ends. The executive order directs agencies to consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public where these approaches are relevant, feasible, and consistent with regulatory objectives. E.O. 13563 emphasizes further that regulations must be based on the best available science and that the rulemaking process must allow for public participation and an open exchange of ideas. We have developed this rule in a manner consistent with these requirements.

#### *2. Regulatory Flexibility Act*

The Department of the Interior certifies that this final rule will not have a significant

economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). This final rule will impact large and small entities but will not have a significant economic effect on either because this is a technical rule to amend ONRR's website and mailing addresses and payment definitions listed in title 30 CFR, chapter XII.

### 3. *Small Business Regulatory Enforcement Fairness Act*

This final rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This final rule:

- a. Does not have an annual effect on the economy of \$100 million or more.
- b. Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.
- c. Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

### 4. *Unfunded Mandates Reform Act*

This final rule does not impose an unfunded mandate on State, local, or tribal governments, or the private sector of more than \$100 million per year. This final rule does not have a significant or unique effect on State, local, or tribal governments, or the private sector. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

### 5. *Takings (Executive Order 12630)*

Under the criteria in Executive Order 12630, this final rule does not have any significant takings implications. This final rule applies to Outer Continental Shelf (OCS)

and Federal and Indian onshore leases. It does not apply to private property. A takings implication assessment is not required.

6. *Federalism (Executive Order 13132)*

Under the criteria in Executive Order 13132, this final rule does not have sufficient federalism implications that warrant the preparation of a Federalism Assessment. This is a technical rule to amend ONRR's website and mailing addresses and payment definitions listed in title 30 CFR, chapter XII. A Federalism Assessment is not required.

7. *Civil Justice Reform (Executive Order 12988)*

This final rule complies with the requirements of Executive Order 12988.

Specifically, this rule:

a. Meets the criteria of section 3(a) requiring that all regulations be reviewed to eliminate errors and ambiguity and be written to minimize litigation; and

b. Meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

8. *Consultation with Indian Tribes (Executive Order 13175)*

Under the criteria in Executive Order 13175, we have evaluated this final rule and determined that it has no effects on federally recognized Indian Tribes.

9. *Paperwork Reduction Act*

This final rule does not contain information collection requirements, and a submission to OMB is not required under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

10. *National Environmental Policy Act*

This rule does not constitute a major Federal action significantly affecting the quality of the human environment. A detailed statement under the National Environmental Policy Act of 1969 (NEPA) is not required because this rule is categorically excluded under: “(i) Policies, directives, regulations, and guidelines: that are of an administrative, financial, legal, technical, or procedural nature.” See 43 CFR 46.210(i) and the DOI Departmental Manual, part 516, section 15.4.D. We have also determined that this rule is not involved in any of the extraordinary circumstances listed in 43 CFR 46.215 that would require further analysis under NEPA. The procedural changes resulting from these amendments have no consequences with respect to the physical environment. This rule will not alter in any material way natural resource exploration, production, or transportation.

#### *11. Data Quality Act*

In developing this final rule, we did not conduct or use a study, experiment, or survey requiring peer review under the Data Quality Act (Pub. L. 106-554), also known as the Information Quality Act. The Department of the Interior (DOI) has issued guidance regarding the quality of information that it relies on for regulatory decisions. This guidance is available on DOI’s website at <http://www.doi.gov/ocio/iq.html>.

#### *12. Effects on the Energy Supply (Executive Order 13211)*

This final rule is not a significant energy action under the definition in Executive Order 13211. A Statement of Energy Effects is not required.

#### *13. Clarity of this Regulation*

We are required by Executive Orders 12866 and 12988 and by the Presidential Memorandum of June 1, 1998, to write all rules in plain language. This means that each

rule we publish must: (a) Be logically organized; (b) Use the active voice to address readers directly; (c) Use clear language rather than jargon; (d) Be divided into short sections and sentences; and (e) Use lists and tables wherever possible.

If you feel that we have not met these requirements, send your remarks to *Armand.Southall@onrr.gov*. To better help us revise the rule, your remarks should be as specific as possible. For example, you should tell us the numbers of the sections or paragraphs that are unclearly written, which sections or sentences are too long, the sections where you feel lists or tables would be useful, etc.
