TITLE: Information Collection for Document Delivery Services

OMB CONTROL NUMBER: 0518-0027

SUMMARY OF COLLECTION: The National Agricultural Library (NAL) accepts requests from libraries and other organizations in accordance with the national and international interlibrary loan code and guidelines. In its national role, NAL collects and supplies copies or loans of agricultural materials not found elsewhere. 7 USC 3125a and 7 CFR 505 gives NAL the authority to collect this information. NAL provides photocopies and loans of materials directly to USDA staff, other Federal agencies, libraries and other institutions, and indirectly to the public through their libraries. The Library charges for some of these activities through a fee schedule. In order to fill a request for reproduction or loan of items the library must have the name, mailing address, phone number of the respondent initiating the request, and may require either a fax number, email address, or Ariel IP address. The collected information is used to deliver the material to the respondent, bill for and track payment of applicable fees, monitor the return to NAL of loaned material, identify and locate the requested material in NAL collections, and determine whether the respondent consents to the fees charged by NAL.

NEED AND USE OF THE INFORMATION: The NAL document delivery staff uses the information collected to identify the protocol for processing the request. The information collected determines whether the respondent is charged or exempt from any charges and what process the recipient uses to make payment if the request is chargeable. The staff also uses the information provided to process/package the reproduction or loan for delivery. Without the requested information NAL has no way to locate and deliver the loan or reproduction to the respondent, and thus cannot meet its mandate to supply agricultural material.
