SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a currently approved information collection. Respondents will be commercial fishing industry individuals, partnerships, and corporations which entered into Capital Construction Fund agreements with the Secretary of Commerce allowing deferral of Federal taxation on fishing vessel income deposited into the fund for use in the acquisition, construction, or reconstruction of fishing vessels. Deferred taxes are recaptured by reducing an agreement vessel's basis for depreciation by the amount withdrawn from the fund for its acquisition, construction, or reconstruction. The deposit/withdrawal information collected from agreement holders is required pursuant to 50 CFR Part 259.35 and P.L. 99-514 (The Tax Reform Act, 1986). The information collected is required to ensure that agreement holders are complying with fund deposit/withdrawal requirements established in program regulations and properly accounting for fund activity on their Federal income tax returns. The information collected must also be reported semi-annually to the Secretary of Treasury in accordance with the Tax Reform Act.

II. Method of Collection

The paper forms are currently required to be signed and mailed.
