Abstract: In compliance with Title 34 CFR Part 602, the information collected consists of petitions, reports and accreditation notifications. The information collected is required to determine if an accrediting agency complies with the Secretary of Education's Criteria for Recognition and is used to allow the Secretary to make determinations on extending and/or continuing recognition. Only postsecondary institutions accredited by such a recognized accrediting agency obtain Title IV funding for its students. This portion of the new regulation was disclosed but not submitted for public comment when the negotiated rulemaking legislature was originally announced in the Federal Register in 2009. Therefore, this submission is considered a "revision of a currently approved collection."
