Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

*Abstract of proposed collection:*

The DS-2029, Application for Consular Report of Birth Abroad of a Citizen of the United States of America, is used by citizens of the United States to report the birth of a child while overseas. The information collected on this form will be used to certify the acquisition of U.S. citizenship at birth of a person born abroad and can be used by that child throughout life.

*Methodology:*

The DS-2029 is currently available to download from the Internet. An application for a Consular Report of Birth is normally made in the consular district in which the birth occurred. The parent respondents will complete the form and present it to a United States Consulate or Embassy, who will examine the documentation and enter the information provided into the Department of State American Citizen Services (ACS) electronic database.
