Agency Information Collection Activities; Proposed collection; comments requested:

Census of Juveniles on Probation (Reinstatement, with change, of a previously approved collection for which approval has expired)

ACTION: 30-Day Notice of Information Collection Under Review.

The Department of Justice (DOJ), Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the Federal Register Volume 77, Number 127, page 39264, on July 2, 2012, allowing for a 60 day comment period.

Comments are encouraged and will be accepted for thirty days until [INSERT THE DATE 30 DAYS FROM THE DATE THIS NOTICE IS PUBLISHED IN THE FEDERAL REGISTER]. This process is conducted in accordance with 5 CFR 1320.10. If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Brecht Donoghue, (202) 305-1270, Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, US Department of Justice, 810 Seventh Street NW, Washington, DC 20531.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

- (1) Type of information collection: Reinstatement, with change, of a previously approved collection whose approval has expired.
