It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Student Assistance General Provisions – Non-Title IV Revenue Requirements (90/10)

*OMB Control Number:* 1845-0096

*Type of Review:* Extension of an existing information collection

*Respondents / Affected Public:* Private Sector (Business or for-profit institutions)

*Total Estimated Number of Annual Responses:* 2,201

*Total Estimated Number of Annual Burden Hours:* 3,302

*Abstract:* As provided by the Higher Education Opportunity Act (Pub. L. 110-315), the regulations provide that a proprietary institution must derive at least 10% of its annual revenue from sources other than Title IV, Higher Education Act (HEA) funds, sanctions for failing to meet this requirement, and otherwise implement the statute by 1) specifying a Net Present Value (NPV) formula used to establish the revenue for institutional loans, 2) providing an administratively easier alternative to the NPV calculation, and 3) describing more fully the non-Title IV eligible programs from which revenue may be counted for 90/10 purposes. The regulations require an institution to disclose in a footnote to its audited financial statements the amounts of Federal and non-Federal revenues, by category, that it used in calculating its 90/10 ratio (see section 487(d) of the HEA). This request is for extending approval of reporting requirements contained in the regulations related to the administrative requirements of the non-Title IV revenue requirement (90/10) program. The information collection requirements in the regulations are necessary to determine eligibility to receive program benefits and to prevent fraud and abuse of program funds.
