ESTABLISHMENT OF AN INTERAGENCY TASK FORCE  
ON COMMERCIAL ADVOCACY

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to help level the playing field on behalf of U.S. businesses and workers competing for international contracts against foreign firms and to facilitate the growth of sales of U.S. goods and services around the world in support of the National Export Initiative, it is hereby ordered as follows:

Section 1. Policy. Executive Order 13534 of March 11, 2010, created the National Export Initiative (NEI), which provides unprecedented Federal support for exports of goods and services by American businesses. Executive Order 13534 also established the Export Promotion Cabinet to develop and coordinate the implementation of the eight priorities of the NEI, which include, but are not limited to, improving advocacy and trade promotion efforts on behalf of U.S. exporters, increasing access to export financing, and removing barriers to trade and enforcing U.S. trade laws and agreements. As part of these responsibilities, the Export Promotion Cabinet, in coordination with the Advocacy Center at the Department of Commerce, is focused on ensuring that the Federal Government's commercial advocacy effectively promotes exports by U.S. businesses, particularly by those firms competing for international contracts against foreign firms that may benefit from strong home government support. The creation of a new whole-of-government commercial advocacy task force that will provide enhanced Federal support for U.S. businesses competing for international contracts, coordinate the efforts of executive

branch leadership in engaging their foreign counterparts on commercial advocacy issues, and increase the availability of information to the U.S. business community about these kinds of export opportunities, will ensure that U.S. exporters have more support for selling their goods and services in global markets.

Sec. 2. Establishment and Membership. There is hereby established an Interagency Task Force on Commercial Advocacy (Task Force).

Sec. 3. Functions. The Task Force shall perform the following functions:

(c) develop strategies to raise the awareness of commercial advocacy assistance within the U.S. business community in order to increase the number of U.S. businesses utilizing commercial advocacy services;

(d) institute processes to obtain and distribute information about foreign procurement opportunities that may be of interest to U.S. businesses in order to expand awareness of opportunities for U.S. businesses to sell their goods and services to foreign governments;

(e) facilitate voluntary short-term personnel exchanges, not to exceed 120 days, between the Department of Commerce and other Task Force agencies, in order to cross-train Federal personnel to better serve U.S. exporters; and

(f) submit a progress report to the Export Promotion Cabinet every 180 days, which should include, but not be limited to, the number of commercial advocacy cases opened and successfully concluded, the number of commercial advocacy engagements by senior-level agency officials, and the number of U.S. businesses utilizing commercial advocacy services. The Advocacy Center at the Department of Commerce will be responsible for managing and tracking all commercial advocacy reporting for the Task Force.
