Docket No. PR13-20-000

NOTICE OF PETITION FOR RATE APPROVAL

Take notice that on December 21, 2012, ONEOK WesTex Transmission, L.L.C. (OWT) filed a rate election pursuant to section 284.123(b)(1) of the Commission's regulations. OWT states the rate election for interruptible transportation service is based on rates for comparable service on file with the Railroad Commission of Texas. OWT states that the rate election would allow a modest increase to its existing transportation and fuel rates, however, OWT does not propose to change its existing transportation and fuel rates, as more fully detailed in the petition.

Any person desiring to participate in this rate filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 7 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426.
