Notice of Opportunity for Public Comment on Surplus Property Release at Manchester-Boston Regional Airport in Manchester, NH

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Request for Public Comments.

SUMMARY: Under the provisions of Title 49, U.S.C. Section 47153(d), notice is being given that the FAA is considering a request from Manchester-Boston Regional Airport in Manchester, NH to waive the surplus property requirements for approximately 19 acres of airport property located at Manchester-Boston Regional Airport in Manchester, NH. The subject parcels have been used for non-aeronautical purposes for over 30 years under temporary relief of surplus property requirements. It has been determined through study and master planning that the subject parcels will not be needed for aeronautical purposes as they are not contiguous to the airport proper. Full and permanent relief of the surplus property requirements on these specific parcels will allow the airport and its tenants on these parcels to make the necessary and aviation-compatible improvements to the parcels. All revenues through the leasing of the parcels will continue to be subject to the FAA's revenue-use policy and dedicated to the maintenance and operation of the Manchester-Boston Regional Airport.
