Light-Walled Rectangular Pipe and Tube from China, Korea, Mexico, and Turkey: Notice of Commission Determinations to Conduct Full Five-year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. §1675(c)(5)) to determine whether revocation of the countervailing duty order on light-walled rectangular pipe and tube from China and the antidumping duty orders on light-walled rectangular pipe and tube from China, Korea, Mexico, and Turkey would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: Effective July 5, 2013.

SUPPLEMENTARY INFORMATION: On July 5, 2013, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The

Commission found that the domestic interested party group responses to its notice of institution (78 FR 19526, April 1, 2013) were adequate and that the respondent interested party group response with respect to Mexico was adequate, and decided to conduct a full review of the antidumping duty order on light-walled rectangular pipe and tube from Mexico. Although the Commission received a response to its notice of institution from the Government of Turkey, the Commission found that the respondent interested party group responses with respect to China, Korea, and Turkey were inadequate. However, the Commission determined to conduct full reviews concerning the orders on light-walled rectangular pipe and tube from China, Korea, and Turkey to promote administrative efficiency in light of its decision to conduct a full review with respect to Mexico. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Acting Secretary to the Commission
