DEPARTMENT OF ENERGY

Environmental Management Advisory Board

AGENCY: Department of Energy, Office of Environmental Management.

ACTION: Notice of Renewal.

SUMMARY: Pursuant to Section 14(a)(2)(A) of the Federal Advisory Committee Act (Pub. L. 92-463), and in accordance with Title 41 of the Code of Federal Regulations, section 102-3.65(a), and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Environmental Management Advisory Board (Board) will be renewed for a two-year period beginning January 23, 2014.

The Board provides the Assistant Secretary for Environmental Management (EM) with information and strategic advice on a broad range of corporate issues affecting the EM program. These corporate issues include, but are not limited to, project management and oversight activities, cost/benefit analyses, program performance, human capital development, and contracts and acquisition strategies.

Additionally, the renewal of the Environmental Management Advisory Board has been determined to be essential to conduct DOE's business and to be in the public interest in connection with the performance of duties imposed on DOE by law and agreement. The Board will operate in accordance with the provisions of the Federal Advisory Committee Act, and rules and regulations issued in implementation of that Act.

FOR FURTHER INFORMATION CONTACT: Ms. Kristen G. Ellis, Designated
Federal Officer, at (202) 586-5810 or kristen.ellis@em.doe.gov.

Issued in Washington, D.C. on January 23, 2014.

Carol A. Matthews,
Committee Management Officer.
