OMB Control No. 3235-0247, SEC File No. 270-180

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) requests for extension of the previously approved collection of information discussed below.

Form N-8B-4 (17 CFR 274.14) is the form used by face-amount certificate companies to comply with the filing and disclosure requirements imposed by Section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Among other items, Form N-8B-4 requires disclosure of the following information about the face-amount certificate company: date and form of organization; controlling persons; current business and contemplated changes to the company’s business; investment, borrowing, and lending policies, as well as other fundamental policies; securities issued by the company; investment adviser; depositaries; management personnel; compensation paid to directors, officers, and certain employees; and financial statements. The Commission uses the information provided in the collection of information to determine compliance with Section 8(b) of the Investment Company Act of 1940.

Form N-8B-4 and the burden of compliance have not changed since the last approval. Each registrant files Form N-8B-4 for its initial filing and does not file post-effective amendments to Form N-8B-4.<sup>1</sup> Commission staff estimates that no respondents will file Form N-8B-4 each year. There are currently only four existing face-amount certificate companies, and none have filed a Form N-8B-4 in many years. No new face-amount certificate companies have been established since the last OMB information collection approval for this form, which occurred in 2011. Accordingly, the staff estimates that, each year, zero face-amount certificate companies will file Form N-8B-4, and that the total burden for the information collection is zero hours. Although Commission staff estimates that there is no hour burden associated with Form N-8B-4, the staff is requesting an hour burden of one hour for administrative purposes. Estimates of the burden hours are made solely for the purposes of the PRA and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

The information provided on Form N-8B-4 is mandatory. The information provided on Form N-8B-4 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

---

<sup>1</sup> Pursuant to Section 30(b)(1) of the Act, each respondent keeps its registration statement current through the filing of periodic reports as required by Section 13 of the Securities Exchange Act of 1934 and the rules thereunder. Post-effective amendments are filed with the Commission on the face-amount certificate company's Form S-1. Hence, respondents only file Form N-8B-4 for their initial registration statement and not for post-effective amendments.

Deputy Secretary.
