

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Advisory Committee on Organ Transplantation

Request for Nominations for Voting Members

AGENCY: Health Resources and Services Administration, HHS

ACTION: Notice

SUMMARY: The Health Resources and Services Administration (HRSA) is requesting nominations to fill vacancies on the Advisory Committee on Organ Transplantation (ACOT). The ACOT was established by the Amended Final Rule of the Organ Procurement and Transplantation Network (OPTN) (42 CFR Part 121) and, in accordance with Public Law 92-463, was chartered on September 1, 2000.

DATES: The agency will receive nominations on a continuous basis.

ADDRESSES: All nominations should be submitted to the Executive Secretary, ACOT, Healthcare Systems Bureau, HRSA, Parklawn Building, Room 12C-06, 5600 Fishers Lane, Rockville, Maryland 20857. Federal Express, Airborne, UPS etc. mail delivery should be

addressed to Executive Secretary, Advisory Committee on Organ Transplantation, Healthcare Systems Bureau, HRSA, at the above address, or via email to: PStroup@hrsa.gov and PTongele@hrsa.gov.

FOR FURTHER INFORMATION CONTACT: Patricia A. Stroup, M.B.A., M.P.A., Executive Secretary, ACOT, at (301) 443-1127 or email pstroup@hrsa.gov.

SUPPLEMENTARY INFORMATION: As provided by 42 CFR 121.12, the Secretary established the ACOT. The ACOT is governed by the Federal Advisory Committee Act (5 U.S.C. Appendix 2), which sets forth standards for the formation and use of advisory committees.

The ACOT advises the Secretary on all aspects of organ procurement, allocation, and transplantation, and on other such matters that the Secretary determines. One of its principal functions is to advise the Secretary on federal efforts to maximize the number of deceased donor organs made available for transplantation and to support the safety of living organ donation.

The ACOT consists of up to 25 members who are Special Government Employees, and 5 ex-officio, non-voting members. Members and the Chair shall be appointed by the Secretary from individuals knowledgeable in such fields as deceased and living organ donation, health care public policy, transplantation medicine and surgery, critical care medicine and other medical specialties involved in the identification and referral of donors, non-physician transplant

professions, nursing, epidemiology, immunology, law and bioethics, behavioral sciences, economics and statistics, as well as representatives of transplant candidates, transplant recipients, living organ donors, and family members of deceased and living organ donors. Members shall not serve while they are also serving on the OPTN Board of Directors. To the extent practicable, Committee members should represent minority, gender, and geographic diversity of transplant candidates, transplant recipients, organ donors, and family members served by the OPTN. The ex-officio, non-voting members shall include the Directors of the National Institutes of Health, the Centers for Disease Control and Prevention, and the Agency for Healthcare Research and Quality; the Administrator of the Centers for Medicare and Medicaid Services; and the Commissioner of the Food and Drug Administration – or their designees.

Specifically, HRSA is requesting nominations for voting members of the ACOT representing: health care public policy; transplantation medicine and surgery, including pediatric and heart/lung transplantation; critical care medicine; nursing; epidemiology and applied statistics; immunology; law and bioethics; behavioral sciences; economics and econometrics; organ procurement organizations; transplant candidates/recipients; transplant/donor family members; and living donors. Nominees will be invited to serve up to a 4-year term beginning the date of appointment.

The Department of Health and Human Services (HHS) will consider nominations of all qualified individuals with a view to ensuring that the ACOT includes the areas of subject matter expertise noted above. Individuals may nominate themselves or other individuals, and professional

associations and organizations may nominate one or more qualified persons for membership on the ACOT. Nominations shall state that the nominee is willing to serve as a member of the ACOT and appears to have no conflict of interest that would preclude the ACOT membership. Potential candidates will be asked to provide detailed information concerning financial interests, consultancies, research grants, and/or contracts that might be affected by recommendations of the ACOT to permit evaluation of possible sources of conflicts of interest.

A nomination package should include the following information for each nominee:

(1) A letter of nomination stating the name, affiliation, and contact information for the nominee, the basis for the nomination (i.e., what specific attributes, perspectives, and/or skills does the individual possess that would benefit the workings of ACOT), and the nominee's field(s) of expertise; (2) a biographical sketch of the nominee and a copy of his/her curriculum vitae; and (3) the name, address, daytime telephone number, and email address at which the nominator can be contacted.

HHS strives to ensure that the membership of HHS Federal advisory committees is fairly balanced in terms of points of view represented and the committee's function. Every effort is made to ensure that the views of women, all ethnic and racial groups, and people with disabilities are represented on HHS Federal advisory committees. The Department also encourages geographic diversity in the composition of the committee. The Department encourages nominations of qualified candidates from all groups and locations. Appointment to the ACOT shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual

orientation, disability, and cultural, religious, or socioeconomic status.

Dated: March 6, 2014

Jackie Pianter

Deputy Director, Division of Policy and Information Coordination
