SUPPLEMENTARY INFORMATION:

Need for Correction

On March 21, 2014, we (NOAA) published a notice (79 FR 15729, FR Doc. 2014-06154) notifying the public that the agency had received 10 scientific research permit applications. Inadvertently, a permit's number was transposed. This document provides the correct permit number.

On page 15730, in the third column, the first heading reads Permit 18620. This number is incorrect. The heading should read Permit 18260. All other information in this document is correct and remains unchanged.

Dated: March 26, 2014.
