#### Administrative Procedure Act

The Air Force has determined that the Administrative Procedure Act, 5 U.S.C. 553, does not require notice of proposed rulemaking and an opportunity for public participation in connection with these corrections. In this regard, the Air Force notes that such notice and opportunity for comment is unnecessary because these corrections are related solely to agency organization, procedure and practice and make technical corrections.

Accordingly, the Air Force finds good cause to make these corrections effective immediately upon publication in the Federal Register. 5 U.S.C. 553(b)(B), 553(d)(3).
