Abstract: Title III of the Assistive Technology Act of 1998 as in effect prior to the amendments of 2004 (P.L. 105-394) (AT Act of 1998) authorized grants to public agencies to support the establishment and maintenance of alternative financing programs (AFPs) that feature one or more alternative financing mechanisms to enable individuals with disabilities and their family members, guardians, advocates, and authorized representatives to purchase Assistive technology (AT). Section 307 of title III requires that RSA submit to Congress an annual report on the activities conducted under that title. In order to meet this requirement, states must provide annual progress reports to the Rehabilitation Services Administration (RSA).
