

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2014-0084]

**Notice of Application for Approval of Discontinuance or
Modification of a Railroad Signal System**

In accordance with Part 235 of Title 49 Code of Federal Regulations (CFR) and 49 U.S.C. 20502(a), this document provides the public notice that by a document dated August 12, 2014, Norfolk Southern Corporation (NS) has petitioned the Federal Railroad Administration (FRA) seeking approval for the discontinuance or modification of a signal system. FRA assigned the petition Docket Number FRA-2014-0084.

Applicants: Norfolk Southern Corporation

Mr. Brian L. Sykes

Chief Engineer C&S Engineering

1200 Peachtree Street NE

Atlanta, GA 30309

NS seeks approval of the proposed retirement of Control Point (CP) 145 and the discontinuance of the traffic control system (TCS) on the Miami Outbound Track, Milepost (MP) CJ 144.7 to MP CJ 145.2; Miami Inbound Track, MP QZ 0.0 to MP QZ 0.85; Alton Outbound Track, MP CJ 145.2 to MP CJ 146.2; and the Alton Inbound Track, MP CJ 145.81 to MP CJ 146.2; and on the Buckeye Yard Branch and Dayton District of the NS Lake Division, North Alton, OH.

The reason given for the proposed changes is that Buckeye Yard is no longer used as a classification yard and the existing operating rules and CP are no longer required for railroad operations. All tracks listed above will be designated “yard limits” under NS Operating Rule 137. Switch 1 at CP 145 will be converted to a hand-thrown switch and all signals will be removed.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Avenue, S.E., W12-140, Washington, D.C. 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- Web site: <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- Fax: 202-493-2251.
- Mail: Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Avenue, S.E., W12-140, Washington, D.C. 20590.
- Hand Delivery: 1200 New Jersey Avenue, S.E., Room W12-140, Washington,

D.C. 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by [INSERT DATE 45 DAYS FROM PUBLICATION OF THIS NOTICE] will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable.

Anyone is able to search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). See <http://www.regulations.gov/#!privacyNotice> for the privacy notice of regulations.gov or interested parties may review DOT's complete Privacy Act Statement in the Federal Register published on April 11, 2000 (65 FR 19477).

Issued in Washington, DC, on September 22, 2014.

Ron Hynes,
Director, Office of Safety Assurance and Compliance.
