Global Positioning System Adjacent Band Compatibility Assessment Workshop II

AGENCY: Office of the Assistant Secretary for Research and Technology, Department of Transportation.

ACTION: Notice of meeting.

SUMMARY: The purpose of this notice is to inform the public that the U.S. Department of Transportation will host a second workshop to continue discussions of the Global Positioning System (GPS) Adjacent Band Compatibility Assessment (the first workshop was held on September 18, 2014, in Cambridge, MA). The workshop will focus on the following topics: (i)GPS "use case" information, with emphasis on non-Government applications; (ii)identification of current GPS receivers which are representative of the current categories of GPS applications and which should be considered for sensitivity testing; and (iii) feedback on the GPS Adjacent Band Compatibility Assessment program implementation plan presented during the last workshop. To maximize participation and discussion, the U.S. Department of Transportation is requesting that those interested in presenting on one (or all) of the above topics please contact Stephen Mackey (contact information listed below) by November 20, 2014.

This workshop is open to the general public by registration only. For those who would like to attend the workshop, we request that you register no later than November 20, 2014.
