v.

Docket No. EL15-23-000

ISO New England Inc.,

(Respondent)

NOTICE OF COMPLAINT

Take notice that on November 26, 2014, pursuant to Rule 206 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR 385.206 and sections 206 and 306 of the Federal Power Act, 16 USC 824, 824(e), and 825(e), Exelon Corporation and Calpine Corporation (collectively, Complainants) filed a formal complaint against ISO New England Inc. (ISO-NE or Respondent), alleging that ISO-NE's Transmission, Markets & Services Tariff (Tariff) is unjust, unreasonable and unduly discriminatory because of the price suppression that will result if price-taker offers are entered for capacity from new resources who have chosen to lock-in their prices under Section III.13.1.1.2.2.4 of the Tariff, as more fully explained in the complaint.

The Complainants certifies that copies of the complaint were served on the contacts for ISO-NE as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
