Automotive Bearing Co., Ltd. Additionally, the Department received timely requests for review from the petitioner, the Timken Company, for CPZ/SKF and Yantai CMC Bearing Co., Ltd., and from CNP Automotive Inc. (CNP), a U.S. importer of TRBs, for Guangzhou Longgo Auto Parts Inc. (Longgo) and Zhaoqing Native Produce Import and Export Co., Ltd. (Zhaoqing Native). On July 31, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published in the Federal Register a notice of initiation of administrative review with respect to these companies.³ On September 29, 2014, CNP withdrew its request for an administrative review of Longgo and Zhaoqing Native.

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. CNP's withdrawal of its request was submitted within the 90-day period and, thus, is timely. Because CNP's withdrawal of its request for an antidumping duty administrative review is timely and because no other party requested a review of Longgo and Zhaoqing Native, we are rescinding this administrative review, in part, with respect to these companies, in accordance with 19 CFR 351.213(d)(1).⁴

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
