Technical Conference on Environmental Regulations
and Electric Reliability, Wholesale Electricity Markets,
and Energy Infrastructure;

Supplemental Notice Of Technical Conferences

As announced in the Notices issued on December 9, 2014¹ and January 6, 2015,² the Federal Energy Regulatory Commission (Commission) will hold a series of technical conferences to discuss implications of compliance approaches to the Clean Power Plan proposed rule, issued by the Environmental Protection Agency (EPA) on June 2, 2014.³ The technical conferences will focus on issues related to electric reliability, wholesale electric markets and operations, and energy infrastructure. The Commission will hold a National Overview technical conference on February 19, 2015, from approximately 10:00 a.m. to 5:45 p.m. in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. This conference is free of charge and open to the public. The agenda and list of speakers for the National Overview technical conference is attached to this Supplemental Notice of Technical Conferences.

If you have not already done so, registration for the National Overview technical conference is available at <https://www.ferc.gov/whats-new/registration/02-19-15-form.asp>. Those interested in attending the National Overview conference are encouraged to register by close of business on February 13, 2015. The Commission will provide details on registration for the regional technical conferences in subsequent notices.
