Abstract: The Teacher Cancellation Low Income (TCLI) Directory is the on-line data repository of elementary and secondary schools and educational service agencies that serve low-income families. State and Territory agencies report these schools to the TCLI Directory. The purpose of the TCLI Directory is to provide a single location for the public to find the list of schools and educational service agencies that are reported. By teaching at one of these schools, recipients of Federal student loans may qualify for loan cancellation as provided under Title I of the Elementary and Secondary Education Act of 1965. Additionally teaching at one of these schools is a requirement for the TEACH Grant program. Institutions of higher education as well as the Department use the TCLI Directory to assist students in determining if the schools they may teach at upon completing their degrees meet the qualifications for receiving the loan cancellations or receiving the TEACH Grant as grant funds.
