³ For purposes of this conference, the Eastern region includes the following Commission-approved Order No. 1000 planning regions: ISO New England Inc. (ISO-NE), PJM Interconnection, L.L.C. (PJM), New York Independent System Operator (NYISO), Southeastern Regional Transmission Planning (SERTP), South Carolina Regional Transmission Planning (SCRTP), and Florida Reliability Coordinating Council (FRCC). This region also includes the Northern Maine Independent System Administrator (NMISA).

on June 2, 2014.⁴ The technical conference will focus on issues related to electric reliability, wholesale electric markets and operations, and energy infrastructure in the Eastern region. The Commission will hold the Eastern region technical conference on March 11, 2015, from approximately 9:30 am to 5:15 pm at the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC. This conference is free of charge and open to the public. Commission members may participate in the conference. The agenda for the Eastern region technical conference is attached to this Supplemental Notice of Technical Conference.

If you have not already done so, those who plan to attend the technical conference are strongly encouraged to complete the registration form located at: <https://www.ferc.gov/whats-new/registration/03-11-15-eastern-form.asp>. Those interested in attending the Eastern region conference are encouraged to register by close of business March 6, 2015.

The Commission will post information on the technical conference on the Calendar of Events on the Commission's website, <http://www.ferc.gov>, prior to the conference. The Eastern region technical conference will also be transcribed. Transcripts of the technical conference will be available for a fee from Ace-Federal Reporters, Inc. ((202) 347-3700 or (800) 336-6646). There will also be a free webcast of the conference. The webcast will allow persons to watch the Eastern region technical conference, but not participate. Anyone with Internet access who desires to watch the Eastern region conference can do so by navigating to the Calendar of Events on the Commission's website, <http://www.ferc.gov>, and locating the Eastern region technical conference in the Calendar. The Eastern region technical conference will contain a link to its webcast.⁵
