**DEPARTMENT OF TRANSPORTATION**

**Federal Aviation Administration**

**RTCA Federal Advisory Committee**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of RTCA Charter Renewal.

**SUMMARY:** The FAA is issuing this notice to advise the public of the renewal of the RTCA Charter (FAA Order 1110.77V) for two years, effective April 1, 2015. The administrator is the sponsor of the committee. The FAA and seven other government agencies use RTCA as a federal advisory committee. On January 2, 1976, the FAA, the major government user of RTCA products, assumed sponsorship on behalf of all government agencies. RTCA brings together representatives of the government and industry to form special committees and steering committees to provide advice and recommendations on key operational and technological issues that impact the Next Generation Air Transportation System (NextGen) implementation and the Air Traffic Management System. The Secretary of Transportation has determined that that information and use of committee are necessary in the public interest in connection with the performance of duties imposed on the FAA by law.
