Abstract: The College Assistance Migrant Program (CAMP) office staff collects information for the CAMP Annual Performance Report (APR) the data being collected is in compliance with Higher Education Act of 1965, as amended, Title IV, Sec. 418A; 20 U.S.C. 1070d-2 (special programs for students whose families are engaged in migrant and seasonal farm work) (shown in appendix A), the Government Performance Results Act (GPRA) of 1993, Section 4 (1115), and the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.253. EDGAR states that recipients of multi-year discretionary grants must submit an APR demonstrating that substantial progress has been made towards meeting the approved objectives of the project. In addition, EDGAR requires discretionary grantees to report on their progress toward meeting the performance measures established for the ED grant program. The CAMP office staff requests a customized APR that goes beyond the generic 524B APR to facilitate the collection of more standardized and comprehensive data to inform GPRA, to improve the overall quality of data collected, and to increase the quality of data that can be used to inform policy decisions.
