SUPPLEMENTARY INFORMATION: This ICR seeks to revise the Reintegration of Ex-Offenders (RExO) Adult Reporting System information collection. RExO Adult Program grantees provide selected standardized information pertaining to customers in the programs for general program oversight, evaluation, and performance assessment purposes. The ETA provides all grantees with a management information system for use

to collect participant data and for preparing and submitting the required quarterly reports. This ICR has been identified as a revision, because the agency has made minor changes to the data elements.
