We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:

This information collection covers pre-award and post-award requirements of the DOSAR. During the pre-award phase, information is collected to determine which proposals offer the best value to the U.S. Government. Post-award actions include monitoring the contractor's performance; issuing modifications to the contract; dealing with unsatisfactory performance; and closing out the contract upon its completion. This program collects information pursuant to the Foreign Service Buildings Act of 1926, as amended (22 U.S.C. 302), the Omnibus Diplomatic Security and Antiterrorism Act (22 USC 4852), and the Foreign Relations Authorization Act, Fiscal Years 1990 and 1991 (22 U.S.C. 4864).

Methodology:

Information is collected from prospective offerors to evaluate their proposals. The responses provided by the public are part of the offeror's proposals in response to Department solicitations. This information may be submitted electronically (through fax or e-mail), or may require a paper submission, depending upon complexity. After contract award, contractors are required to submit information, on an as-needed basis, and related to the occurrence of specific circumstances.

Dated: June 23, 2015.
