1. Title: Independent Researcher Listing Application

OMB number: 3095-0054

Agency form number: NA Form 14115

Type of review: Regular

Affected public: Individuals or households

Estimated number of respondents: 458

Estimated time per response: 10 minutes

Frequency of response: On occasion

Estimated total annual burden hours: 76

Abstract: To accommodate both the public and NARA staff, the Customer Services Division (RD-C1) of the National Archives maintains a listing of independent researchers for the public. We make use of various lists of independent researchers who perform freelance research for hire in the Washington, DC, area and send them upon request to researchers who cannot

travel to the metropolitan area to conduct their own research. All interested independent researchers provide their contact information via this form. Collecting contact and other key information from each independent researcher and providing such information to the public when deemed appropriate will only increase business. This form is not a burden in any way to any independent researcher who voluntarily submits a completed form. Inclusion on the list will not be viewed or advertised as an endorsement by the National Archives and Records Administration (NARA). The listing is compiled and disseminated as a service to the public.

Dated: August 13, 2015.

Swarnali Haldar,

Executive for Information Services/CIO.
