**SUPPLEMENTARY INFORMATION:** Section 337 of the Tariff Act of 1930  
provides that if the Commission finds a violation it shall exclude the articles concerned  
from the United States:

unless, after considering the effect of such exclusion upon  
the public health and welfare, competitive conditions in the  
United States economy, the production of like or directly  
competitive articles in the United States, and United States  
consumers, it finds that such articles should not be  
excluded from entry.

19 U.S.C. § 1337(d)(1). A similar provision applies to cease-and-desist orders. 19  
U.S.C. § 1337(f)(1).

The Commission is interested in further development of the record on the public  
interest in these investigations. Accordingly, members of the public are invited to file  
submissions of no more than five (5) pages, inclusive of attachments, concerning the  
public interest in light of the administrative law judge's Initial Determination and  
Recommended Determination on Remedy and Bonding issued in this investigation on  
September 4, 2015. Comments should address whether issuance of limited exclusion  
orders and a cease and desist order in this investigation would affect the public health and  
welfare in the United States, competitive conditions in the United States economy, the

production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended limited exclusion orders and cease and desist order are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended limited exclusion orders and cease and desist order;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended limited exclusion orders and cease and desist order within a commercially reasonable time; and
- (v) explain how the recommended limited exclusion orders and cease and desist order would impact consumers in the United States.

Written submissions must be filed no later than by close of business on October 5, 2015.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of
