SUPPLEMENTARY INFORMATION:

Agenda

The Skate Committee and Advisory Panel will begin work on a framework adjustment. The Committee and Advisory Panel will consider updated status determinations for the Northeast Skate Complex, recommendations for the Skate Allowable Biological Catch (ABC), and associated possession limits. The Committee and Advisory Panel will review PDT discussion of potential restructuring of the Northeast Skate Complex FMP. They will also discuss priorities for 2016 and any other business. Other business may be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
