SUPPLEMENTARY INFORMATION:

EGRPRA¹ directs the Agencies, along with the Federal Financial Institutions Examination Council (Council), not less frequently than once every ten years, to conduct a review of their regulations to identify outdated or otherwise unnecessary regulations imposed on insured depository institutions. As part of this review, the Agencies are holding a series of six outreach meetings to provide an opportunity for bankers, consumer and community groups, and other interested persons to present their views directly to senior management and staff of the Agencies on any of 12 specific categories of the Agencies' regulations, as further described below. The Agencies held the first of these outreach meetings on December 2, 2014, in Los Angeles, California; the second outreach meeting on February 4, 2015, in Dallas, Texas; the third outreach meeting on May 4, 2015, in Boston, Massachusetts; and the fourth outreach meeting, which focused on rural banks and their communities, on August 4, 2015, in Kansas City, Missouri. Additional details, including videos and transcripts of the first four outreach meetings, are available on the EGRPRA Web site at <http://egrpra.ffiec.gov/outreach/outreach-index.html>.

The fifth outreach meeting will be held on October 19, 2015, in Chicago, Illinois, and will be streamed live at <http://egrpra.ffiec.gov/>. FDIC Chairman Martin J. Gruenberg, Comptroller of the Currency Thomas J. Curry, and FRB Governor Lael Brainard are scheduled to attend, along with senior staff members of the Agencies. The meeting will consist of panels of bankers and consumer and community groups who will present particular issues. There will be limited time after each panel for comments from meeting attendees. In addition, there will be a session at the end of the meeting during which audience members may present views on any of the regulations under review. The Agencies reserve the right to limit the time of individual commenters, if needed, in order to accommodate the number of persons desiring to speak.

¹ Pub. L. 104-208 (1996), 110 Stat. 3009-414, codified at 12 U.S.C. 3311.

Comments made by panelists, audience members, and online participants at this meeting will be reflected in the public comment file. Audience members who do not wish to comment orally may submit written comments at the meeting. As noted above, any interested person may submit comments through the EGRPRA Web site during open comment periods at: <http://egrpra.ffiec.gov/submit-comment/submit-comment-index.html> or directly to the Agencies through any of the other manners specified above.

All participants attending in person should register for the Chicago outreach meeting at <http://egrpra.ffiec.gov/outreach/outreach-index.html>. Because of space constraints, on-site attendance will be limited. Online registrations will be accepted through October 13, 2015, or until all seats are filled, whichever is earlier. If seats are available, individuals may register in person at the Federal Reserve Bank of Chicago on the day of the meeting. Individuals do not need to register to view the live-stream broadcast.

We note that the meeting will be video-recorded and publicly webcast in order to increase education and outreach. By participating in person at the meeting, you consent to appear in such recordings.

Additional Background on EGRPRA

Section 2222 of EGRPRA directs the Agencies, along with the Council, to conduct a review of their regulations not less frequently than once every ten years to identify outdated or otherwise unnecessary regulatory requirements imposed on insured depository institutions. In conducting this review, the Agencies are required to categorize their regulations by type and, at regular intervals, provide notice and solicit public comment on categories of regulations, requesting commenters to identify areas of regulations that are outdated, unnecessary, or unduly burdensome. The statute requires the Agencies to publish in the Federal Register a summary of

the comments received, identifying significant issues raised and commenting on these issues. The statute also directs the Agencies to eliminate unnecessary regulations to the extent that such action is appropriate. Finally, section 2222 requires the Council, of which the Agencies are members, to submit a report to Congress that summarizes any significant issues raised in the public comments and the relative merits of such issues. The report also must include an analysis of whether the Agencies are able to address the regulatory burdens associated with such issues by regulation or whether these burdens must be addressed by legislative action.

For purposes of this review, the Agencies have grouped our regulations into 12 categories: Applications and Reporting; Banking Operations; Capital; Community Reinvestment Act; Consumer Protection; Directors, Officers and Employees; International Operations; Money Laundering; Powers and Activities; Rules of Procedure; Safety and Soundness; and Securities. On June 4, 2014, we published a Federal Register notice announcing the start of the EGRPRA review process and also asking for public comment on three of these categories – Applications and Reporting; Powers and Activities; and International Operations regulations.² In that notice we published a chart, listing the Agencies’ regulations in the 12 categories included in the EGRPRA review. On February 13, 2015, we published a Federal Register notice asking for public comment on three additional categories – Banking Operations; Capital; and the Community Reinvestment Act.³ The comment period for the second Federal Register notice closed on May 14, 2015. On June 5, 2015, the Agencies published a third Federal Register notice asking for public comment on three additional categories – Consumer Protection; Directors, Officers and Employees; and Money Laundering.⁴ The comment period

² 79 FR 32172.

³ 80 FR 7980.

⁴ 80 FR 32046.

for the third notice closed on September 3, 2015. As noted in the third Federal Register notice, the Agencies' will take comment on all of our regulations issued in final form up to the date that we publish the last EGRPRA notice for public comment. In the third notice, we published an additional chart, listing the rules included in the review that had not been reflected in prior charts. Before the end of the year, the Agencies intend to issue the final Federal Register notice, requesting comment on regulations in the last three categories – Rules of Procedure; Safety and Soundness; and Securities, as well as on any other final rules not covered by one of the prior Federal Register notices.
