**A. Purpose**

FAR 43.205 allows a contracting officer, whenever the estimated cost of a change or series of related changes under a contract exceeds \$100,000, to assert the right in the clause at FAR 52.243-6, Change Order Accounting, to require the contractor to maintain separate accounts for each change or series of related changes. Each account shall record all incurred segregable, direct costs (less allocable credits) of work, changed and unchanged, allocable to the change. These accounts are to be maintained until the parties agree to an equitable adjustment for the changes or until the matter is conclusively disposed of under the Disputes clause.
