Deletion:

JS006CND

Department of Defense Counternarcotics C4I System (February
22, 1993, 58 FR 10557).

Reason:

Based on a recent review of JS006CND, Department of Defense
Counternarcotics C4I System, it has been confirmed that this
system of records transferred from the Joint Staff to the
Defense Information System Agency (DISA) in 1993. All records
that were housed at the JS have been destroyed according to the
National Archives and Records Administration 10-year disposition
schedule. Since the transfer to DISA, they provide all required
reporting in terms of information assurance, programmatic, and
budgeting. The remaining applications hosted by the system at
DISA do not collect personally identifiable information;

therefore, the Department of Defense Counternarcotics C4I
System of Records Notice can be deleted.
