*Authority:* Section 203 (j)(2)(B)(i) of the United States – Morocco Free Trade Agreement Implementation Act (19 U.S.C. 3805 note) (USMFTA Implementation Act); Executive Order 11651 of March 3, 1972, as amended.

*Background:*

Article 4.3.3 of the USMFTA provides that, on the request of either Party, the Parties shall consult to consider whether the rules of origin applicable to a particular textile or apparel good should be revised to address issues of availability of supply of fibers, yarns, or fabrics in the territories of the Parties. In the consultations, pursuant to Article 4.3.4 of the USMFTA, each Party shall consider data presented by the other Party that demonstrate substantial production in its territory of a particular fiber, yarn, or fabric. The Parties shall consider that there is substantial production if a Party demonstrates that its domestic producers are capable of supplying commercial quantities of the fiber, yarn, or fabric in a timely manner. The USMFTA Implementation Act provides the President with the authority to proclaim as part of the HTSUS, modifications to the USMFTA rules of origin set out in Annex 4-A of the USMFTA as are necessary to implement an agreement with Morocco under article 4.3.6 of the USMFTA, subject to the consultation and layover requirements of Section 104 of the USMFTA Implementation Act. See Section 203(j)(2)(B)(i) of the USMFTA Implementation Act. Executive Order 11651 established CITA to supervise the implementation of textile trade agreements and authorizes the Chairman of CITA to take actions or recommend that appropriate

officials or agencies of the United States take actions necessary to implement textile trade agreements. 37 FR 4699 (March 4, 1972).

On January 27, 2016, the Government of the United States received a request from the Government of Morocco dated January 14, 2016, on behalf of HTL FASHION, requesting that the United States consider whether the USMFTA rule of origin for dresses, skirts, blouses and tops classified in HTSUS chapter 62, should be modified to allow the use of 100% viscose woven fabric classified in subheading 5408.24 of the HTSUS that is not originating under the USMFTA.

CITA is soliciting public comments regarding this request, particularly with respect to whether 100% viscose woven fabric described above can be supplied by the U.S. domestic industry in commercial quantities in a timely manner.
