A 60-day Notice requesting public comment was published in the **Federal Register** on December 11, 2015, Volume 80, No. 238 FR, 76848 - 76849. This comment period ended February 9, 2016. No comments were received regarding this Notice.

*Description:* CNCS has contracted with Abt Associates to support CNCS's Office of Research and Evaluation to implement a process evaluation of the Social Innovation Fund (SIF) Pay for Success (PFS) Program. The major data collection activities to be undertaken subject to this notice will include two surveys: (1) Grantee Survey, and (2) Subrecipient/Service Recipient Survey. Survey information will be collected from current and future SIF PFS grantees and their subrecipients/service recipients through an online survey program. The purpose of the Grantee Survey is to better understand grantees' program structure, practices in providing technical assistance and deal structuring activities. The Subrecipient/Service Recipient Survey will collect data on activities, capacity, and perspectives and experiences of subrecipients/service recipients receiving assistance from the grantees. Note that since the 60-day Notice was published, the word "grant" was dropped from the title of the study based on the revised program name (SIF PFS program) and the organizations previously referred to as "subgrantees" are now referred to as "subrecipients/service recipients" to reflect the revised language that CNCS is using to refer to these organizations.

*Type of Review:* Renewal.

*Frequency:* Once per year. Each respondent will complete the survey annually for one to three years depending upon the timing and duration of their participation in the program.
