Annual Responses: 306

Respondents are defense contractors employed by Office of the Under Secretary of Defense for Policy who provide analytic, administrative, and operations services. The survey is administered to all employees of the Office of Secretary of Defense for Policy as required by the Under Secretary of Defense for Policy to assess the effectiveness and progress of the current human capital strategy. If contractors are not permitted to take the survey then the assessment effectively excludes ~20% of the employee population, diminishing the accuracy of the survey and resulting conclusions.
