A. PROGRAM DESCRIPTION

The purpose of the OSCUI Grant Program is to assist low-income designated credit unions (LICU) in providing basic financial services to their low-income members to stimulate economic activities in their communities. Through the OSCUI Grant Program, NCUA provides financial support in the form of technical assistance grants to LICUs. These funds help improve and expand the availability of financial services to these members. The OSCUI Grant Program also serves as a source of funding to help LICUs respond to emergencies. The Grant Program consists of Congressional appropriations that are administered by OSCUI, an office of the NCUA.

From June 1, 2016 to June 30, 2016 NCUA will accept applications from credit unions for the 2016 grant round. This grant round will include initiatives for Capacity and Growth, Cyber Security, Staff Training, and Student Interns.

Information about the OSCUI Grant Program, including more details regarding the 2016 grant round, other funding initiatives, amount of funds available, funding priorities, permissible uses of

funds, funding limits, deadlines and other pertinent details, are periodically published in NCUA Letters to Credit Unions, in the OSCUI e-newsletter and on the NCUA website at <https://www.ncua.gov/services/Pages/small-credit-union-learning-center/services/grants-loans.aspx>.

Permissible Uses of Funds: NCUA will consider requests for funds consistent with the purpose of the OSCUI Grant Program. 12 CFR §705.1. Per §705.10 of the regulation permissible uses for the grant fund include: (i) Development of new products or services for members including new or expanded share draft or credit card programs; (ii) Partnership arrangements with community based service organizations or government agencies; (iii) Enhancement and support of credit union internal capacity to serve its members and better enable it to provide financial services to the community in which the credit union is located.

NCUA will consider other proposed uses of funds that in its sole discretion it determines are consistent with the purpose of the OSCUI Grant Program, the requirements of the regulations, and this NOFO.

Regulation: Part 705 of NCUA's regulations implements the OSCUI Grant and Loan Program. 12 CFR 705. A revised Part 705 was published on November 2, 2011. 76 FR 67583. Additional requirements are found at 12 CFR Parts 701 and 741. Applicants should review these regulations in addition to this NOFO. Each capitalized term in this NOFO is more fully defined in the regulations and grant guidelines. For the purposes of this NOFO, an Applicant is a Qualifying Credit Union that submits a complete Application to NCUA under the OSCUI Grant Program.

B. FEDERAL AWARD INFORMATION

OSCUI grants are made to LICUs that meet the requirements in the program regulation and this NOFO, subject to funds availability.

Funds Availability: Congress appropriated \$2 million to the OSCUI Grant Program for Fiscal Years 2016–2017. NCUA expects to award the entire amount appropriated under this NOFO. NCUA reserves the right to: (i) award more or less than the amount appropriated; (ii) fund, in whole or in part, any, all, or none of the applications submitted in response to this NOFO; and (iii) reallocate funds from the amount that is anticipated to be available under this NOFO to other programs, particularly if NCUA determines that the number of awards made under this NOFO is fewer than projected.

E. APPLICATION REVIEW INFORMATION

1. *Review and Selection Process:*

(a) Eligibility and Completeness Review: NCUA will review each Application to determine whether it is complete and that the Applicant meets the eligibility requirements described in the Regulations, this NOFO, and the grant guidelines. An incomplete Application or one that does not meet the eligibility requirements will be declined without further consideration.

(b) Substantive Review: After an Applicant is determined eligible and its Application is determined complete, NCUA will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFO, and the grant guidelines. NCUA reserves the right to contact the Applicant during its review for the purpose of clarifying or confirming information contained in the Application. If so contacted, the Applicant must respond within the time specified by NCUA or NCUA, in its sole discretion, may decline the application without further consideration.

(c) Evaluation and Scoring: The evaluation criteria for each initiative will be more fully described in the grant guidelines.

(d) Input from Examiners: NCUA may not approve an award to a credit union for which its NCUA regional examining office or State Supervisory Agency (SSA), if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

(e) Award Selection: In general, NCUA will make its award selections based on a consistent scoring system where each applicant will receive an individual score. NCUA will consider the impact of the funding. When grant demand is high applications may be ranked based on the aforementioned in addition to factors listed in the grant guidelines.

2. *Anticipated Announcement and Federal Award Dates:* See part D.3.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

2. *Administration and National Policy Requirements:* The specific terms and conditions governing a grant will be established in the grant guidelines for each initiative.

3. *Reimbursement and Reporting:* Each awarded credit union must submit a reimbursement request in order to receive the awarded funds. The reimbursement requirements are specific to

each initiative. In general, the reimbursement request will require proof of expenses, documentation, an explanation of the impact of funding and any success or failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements. Awardees (credit unions) are required to submit the reimbursement request within the expiration date specified in the approval letter.
