Public Notice For Waiver of Aeronautical Land-Use Assurance

Former Willmar Municipal Airport

Willmar, MN

AGENCY: Federal Aviation Administration, DOT

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to authorize the release of approximately 482.21 acres of the airport property at the Former Willmar Municipal Airport, Willmar MN.

The acreage being released is not needed for aeronautical use as the City built a new replacement airport that became operational in 2006.

The acreage was originally acquired with local, State of Minnesota, and federal funds. The federal funds associated with the land came from a Federal Aid to Airports Grant in 1957 (Grant Number 9-21-040-5702). The FAA approved a Finding of No Significant Impact for the release of the former Willmar

Municipal Airport on September 20, 2013. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the Federal Register on February 16, 1999.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the Federal Register 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.
