SUPPLEMENTARY INFORMATION: The Town of Ocean City, on behalf of the Maryland State Highway Administration, who owns the US 50 (Harry W. Kelly Memorial) Bridge, has requested a temporary deviation from the current operating regulations set out in 33 CFR 117.559, to accommodate increased vehicular traffic of the 2016 Ocean City Air Show.

Under this temporary deviation, the bridge will be closed-to-navigation from 3:55 p.m. to 4:55 p.m. on June 18, 2016, and from 3:55 p.m. to 4:55 p.m. on June 19, 2016. The bridge is a double bascule bridge and has a vertical clearance in the closed-to-navigation position of 13 feet above mean high water.

The Isle of Wight (Sinetuxent) Bay is used by a variety of vessels including small fishing vessels and recreational vessels. The Coast Guard has carefully considered the nature and volume of vessel traffic on the waterway in publishing this temporary deviation.

Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterway through our Local Notice and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 7, 2016.
