Legal Basis for the Information Collection

These information collections are mandatory under the following statutes: 12 U.S.C. 161 and 1817 (national banks), 12 U.S.C. 1464 (federal savings associations), 12 U.S.C. 248(a)(1) and (2), 1844(c), and 3906 (state member banks and bank holding companies); 12 U.S.C. 1467a(b)(2)(A) (savings and loan holding companies); 12 U.S.C. 5365(a) (intermediate holding companies); and 12 U.S.C. 1817 and 1820 (insured state nonmember commercial and savings banks and insured state savings associations). The FFIEC 009 information collection is given confidential treatment (5 U.S.C. 552(b)(4) and (b)(8)). The FFIEC 009a information collection is not given confidential treatment.

General Description of Reports

The Country Exposure Report (FFIEC 009) is filed quarterly with the agencies and provides information on international claims of U.S. banks, savings associations, bank holding companies, and savings and loan holding companies that is used for supervisory and analytical purposes. The information is used to monitor the foreign country exposures of reporting institutions to determine the degree of risk in their portfolios and assess the potential risk of loss. The Country Exposure Information Report (FFIEC 009a) is a supplement to the FFIEC 009 and provides publicly available information on material foreign country exposures (all exposures to a country in excess of 1 percent of total assets or 20 percent of capital, whichever is less) of U.S. banks, savings associations, bank holding companies, and savings and loan holding companies that file the FFIEC 009 report. As part of the Country Exposure Information Report, reporting institutions also must furnish a list of countries in which they have lending exposures above 0.75 percent of total assets or 15 percent of total capital, whichever is less.

Current Actions

On April 14, 2016, the agencies published a notice in the *Federal Register* (81 FR 22163) and requested comment on a proposal to revise the Country Exposure Report (FFIEC 009) and the Country Exposure Information Report (FFIEC 009a) effective September 30, 2016, to (1) have institutions provide their Legal Entity Identifier (LEI) on both reporting forms, only if they already have one, and (2) add Intermediate Holding Companies (IHCs) to the Board's respondent panel. The comment period for this notice expired on June 13, 2016.

The agencies received one comment letter from a bankers' association indicating that it would submit data on certain divergent reporting practices observed across institutions with respect to the FFIEC 009 and FFIEC 009a in a supplemental submission. The letter did not comment on either of the changes proposed by the agencies. Any forthcoming data and comments on the FFIEC 009 and FFIEC 009a reporting requirements from this association would be considered for possible inclusion in a separate future notice of agency information collection activities. The agencies are now submitting a request to OMB for review and approval of the extension, with revision, of the FFIEC 009 and FFIEC 009a that incorporates the two changes proposed in the April 14 notice.

Request for Comment

The agencies invite comment on the following topics related to this collection of information:

(a) Whether the information collections are necessary for the proper performance of the agencies' functions, including whether the information has practical utility;
