## SURFACE TRANSPORTATION BOARD

### Release of Waybill Data

The Surface Transportation Board has received a request from three individual researchers that work for the Consumer Financial Protection Bureau, Department of Justice, and Georgetown University (WB16-30a – 7/19/16) for permission to use certain unmasked data from the Board's 1984-2003 Carload Waybill Samples. A copy of this request may be obtained from the Office of Economics.

The waybill sample contains confidential railroad and shipper data; therefore, if any parties object to these requests, they should file their objections with the Director of the Board's Office of Economics within 14 calendar days of the date of this notice. The rules for release of waybill data are codified at 49 CFR 1244.9.
