DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

[FTA Docket No. FTA-2016- 0033]

Agency Information Collection Activity Under OMB Review

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), this notice announces that the Information Collection Requirements (ICRs) abstracted below have been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICRs describe the nature of the information collections and their expected burdens. The Federal Register notice with a 60-day comment period soliciting comments on the following collections of information was published on May 9, 2016 (81 FR 28157).

DATES: Comments must be submitted on or before [30 DAYS FROM DATE OF PUBLICATION].

FOR FURTHER INFORMATION CONTACT: Tia Swain, Office of Administration, Management Planning Division, 1200 New Jersey Avenue., SE., Mail Stop TAD-10, Washington, DC 20590 (202) 366-0354.

SUPPLEMENTARY INFORMATION:

The Paperwork Reduction Act of 1995 (PRA), Pub. L. No. 104-13, Section 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501-3520), and its implementing regulations, 5 C.F.R. Part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 C.F.R. 1320.5, 1320.8(d)(1), 1320.12. On May 9, 2016, FTA published a 60-day notice (81 FR 28157) in the Federal Register soliciting comments on the ICR that the agency was seeking OMB approval. FTA received no comments after issuing this 60-day notice. Accordingly, DOT

announces that these information collection activities have been re-evaluated and certified under 5 C.F.R. 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 C.F.R. 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)-(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The requirements are being submitted for clearance by OMB as required by the PRA.

***Title:* 49 U.S.C. Section 5337, the State of Good Repair Grants Program**

***OMB Control Number:* 2132-0577**

Type of Request: Extension without change of a currently approved information collection

Abstract: 49 U.S.C. Section 5337, the State of Good Repair Grants Program was authorized by Moving Ahead for Progress in the 21st Century (MAP-21). It was reauthorized under the Fixing America's Surface Transportation (FAST) Act Section 3015. This program authorizes the Secretary of Transportation to make grants to designated recipients to maintain, replace, and rehabilitate high intensity fixed guideway systems and high intensity motorbus systems. Eligible

recipients include state and local government authorities in urbanized areas with high intensity fixed guideway systems and/or high intensity motorbus systems operating for at least seven years. Projects are funded at 80 percent federal with a 20 percent local match requirement by statute. FTA will apportion funds to designated recipients. The designated recipients will then allocate funds as appropriate to recipients that are public entities in the urbanized areas. FTA can make grants to direct recipients after sub- allocation of funds. Recipients apply for grants electronically, and FTA collects milestone and financial status reports from designated recipients on a quarterly basis. The information submitted ensures FTA's compliance with applicable federal laws.

Annual Estimated Total Burden Hours: 9,120 hours

ADDRESS: All written comments must refer to the docket number that appears at the top of this document and be submitted to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 – 17th Street, N.W. Washington, D.C. 20503, Attention: FTA Desk Officer. Alternatively, comments may be sent via e-mail to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget, at the following address:

oir_submissions@omb.eop.gov

Comments are Invited On: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication of this notice in the Federal Register.

William Hyre, Deputy Associate Administrator for Administration
