

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree  
Under The Clean Air Act

On October 6, 2016, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Columbia in the lawsuit entitled *United States v. Detroit Diesel Corporation*, Civil Action No. 1:16-cv-01982.

The government's complaint alleges that Detroit Diesel violated the Clean Air Act by introducing into commerce 7,786 heavy-duty diesel engines for use in trucks and buses in model year 2010 without a valid EPA-issued certificate of conformity demonstrating conformance with Clean Air Act standards to control nitrogen oxide (NO<sub>x</sub>) emissions. The complaint also alleges that the engines did not conform to emission standards applicable to model year 2010 engines.

The Consent Decree requires Detroit Diesel to spend \$14.5 million on mitigation projects to reduce NO<sub>x</sub> emissions and other pollutants, including replacing high-polluting diesel school buses and locomotive engines with models that meet current emissions standards. Detroit Diesel will also pay a civil penalty of \$14 million.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Detroit Diesel Corporation*, D.J. Ref. No. 90-5-2-1-10557. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by e-mail or by mail:
