SEC File No. 270-498, OMB Control No. 3235-0556

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information provided for in Rule 15b11-1 (17 CFR 240.15b11-1) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 15b11-1 provides that a broker or dealer may register by notice pursuant to section 15(b)(11)(A) of the Exchange Act (15 U.S.C. 78o(b)(11)(A)) if it: (1) is registered with the Commodity Futures Trading Commission as a futures commission merchant or an introducing broker, as those terms are defined in the Commodity Exchange Act (7 U.S.C. 1, et seq.); (2) is a member of the National Futures Association or another national securities association registered under section 15A(k) of the Exchange Act (15 U.S.C. 78o-3(k)); and (3) is not required to register as a broker or dealer in connection with transactions in securities other than security futures products. The rule also requires a broker or dealer registering by notice to do so by filing Form BD-N (17 CFR 249.501b) in accordance with the instructions to the form. In addition, the rule

provides that if the information provided by filing the form is or becomes inaccurate for any reason, the broker or dealer shall promptly file an amendment on the form correcting such information.

The Commission staff estimates that the total annual reporting burden associated with Rule 15b11-1 and Form BD-N is approximately three hours, based on an average of two initial notice registrations per year that each take approximately 30 minutes to complete, for one hour, plus an average of nine amendments per year that each take approximately fifteen minutes to complete, for 2.25 hours, rounded down to two hours, for a total of three hours.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
