Diamond Sawblades and Parts Thereof from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on diamond sawblades and parts thereof (diamond sawblades) from the People's Republic of China (the PRC). The period of review (POR) is November 1, 2014, through October 31, 2015. The Department has preliminarily determined that certain companies covered by this review made sales of subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results.

DATES: Effective [INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*.]

FOR FURTHER INFORMATION CONTACT: Yang Jin Chun or Bryan Hansen, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5760 and (202) 482-3683, respectively.

Scope of the Order

The merchandise subject to the order is diamond sawblades and parts thereof. The diamond sawblades subject to the order are currently classifiable under subheadings 8202 to 8206 of the Harmonized Tariff Schedule of the United States (HTSUS), and may also enter under 6804.21.00. While the HTSUS subheadings are provided for convenience and customs

purposes, the written description is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.¹

Preliminary Determination of No Shipments

Five companies that received a separate rate in previous segments of the proceeding and are subject to this review reported that they did not have any exports of subject merchandise during the POR.² U.S. Customs and Border Protection (CBP) data for the POR indicated that these companies had no shipments.³ Additionally, we requested that CBP report any contrary information.⁴ To date, CBP has not responded to our inquiry with any contrary information and we have not received any evidence that these companies had any shipments of the subject merchandise sold to the United States during the POR. Further, consistent with our practice, we find that it is not appropriate to rescind the review with respect to these companies but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of review.⁵

Separate Rates

The Department preliminarily determines that 24 respondents are eligible to receive separate rates in this review.⁶

Separate Rates for Eligible Non-Selected Respondents

Consistent with our practice, we assigned to eligible non-selected respondents the weighted-average margin calculated for Bosun Tools Co., Ltd. as the separate rate for the preliminary results of this review.⁷

PRC-Wide Entity

The Department's change in policy regarding conditional review of the PRC-wide entity applies to this administrative review.⁸ Under this policy, the PRC-wide entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the PRC-wide entity in this review, the entity is not under review and the entity's rate is not subject to change (*i.e.*, 82.05 percent).⁹ Aside from the no-shipments and separate rate companies discussed above, and the company for which the review is being rescinded, the Department considers all other companies for which a review was requested (which did not file a separate rate application) to be part of the PRC-wide entity.¹⁰

Methodology

The Department conducted this review in accordance with section 751(a)(1)(B) of the Act. For Bosun Tools Co., Ltd., constructed export price was calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy within the meaning of section 771(18) of the Act, normal value was calculated in accordance with section 773(c) of the

Issues raised in the hearing will be limited to those raised in the respective case briefs. Assessment Rates

Upon issuing the final results of review, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ If a respondent's weighted-average dumping margin is above *de minimis* (*i.e.*, 0.5 percent) in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value

¹⁵ See 19 CFR 351.309(d).

of those sales in accordance with 19 CFR 351.212(b)(1). Specifically, the Department will apply the assessment rate calculation method adopted in *Final Modification for Reviews*.¹⁸ Where an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁹

For entries that were not reported in the U.S. sales databases submitted by exporters individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.²⁰ The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for subject merchandise exported by the companies listed above that have separate rates, the cash deposit rate will be that established in the final results of review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject

merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.
