**Relief from HUD Requirements Available to Public Housing Agencies to Assist with Recovery and Relief Efforts on Behalf of Families Affected by Severe Storms and Flooding in Louisiana**

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice.

**SUMMARY:** This notice advises the public that HUD has established an expedited process for the review of requests for relief from HUD regulatory and/or administrative requirements (“HUD requirements”) for public housing agencies (PHAs) that are located in a parish of Louisiana that has been declared a federal disaster area due to severe storms and flooding. Specifically, these PHAs may request waivers of HUD requirements and receive expedited review of such requests.

**SUPPLEMENTARY INFORMATION:**

**I. Background Information**

From March 8 through April 8, 2016, more than 3 dozen parishes in Louisiana experienced severe storms and flooding. A Major Disaster Declaration covering these parishes<sup>1</sup> was issued on March 13, 2016 (MDD 4263). From August 11 through August 31, 2016, severe storms and flooding affected nearly 2 dozen parishes. A Major Disaster Declaration for these parishes<sup>2</sup> was issued on August 14, 2016 (MDD 4277). Seven parishes were included in both the March and August Major Disaster Declarations.<sup>3</sup> The notice covers Major Disaster Declarations (MDDs) 4263 and 4277,<sup>4</sup> issued on March 13, 2016, and August 14, 2016, respectively.

In order to provide relief from certain HUD requirements governing programs administered by the Office of Public and Indian Housing (PIH) to PHAs that are located in areas covered by MDD(s) 4263 and/or 4277 (MDD PHAs), HUD is publishing this notice. The notice describes a number of flexibilities that are available to such PHAs, lists HUD requirements that HUD is willing to waive upon request from a PHA, and provides for the expedited review of waiver requests. HUD is publishing this notice to assist MDD PHAs in responding to these major disaster declarations and in contributing to long-term recovery.

The notice is organized as follows:

- Section II opens with a description of flexibilities that are available to MDD PHAs, where such flexibilities are built into statute and/or regulation. MDD

PHAs may avail themselves of these flexibilities, following the process described in Section IV of the notice.

- Section III describes certain HUD requirements that, if waived, may facilitate an MDD PHA's ability to participate in relief and recovery efforts. An MDD PHA may request a waiver of a HUD requirement not listed in Section III and receive expedited review of the request if the MDD PHA demonstrates that the waiver is needed in order to assist in its relief and recovery efforts. An MDD PHA may not adopt any requested waiver prior to receiving HUD approval.
- Section IV describes the process HUD has established for MDD PHAs to provide notice to and/or request approval from HUD regarding statutory or regulatory flexibilities and/or to request waivers of HUD requirements. Waiver requests will be handled on an expedited, case-by-case basis. Consistent with section 7(q) of the Department of Housing and Urban Development Act (42 U.S.C. 3535(q)), a regulated party that seeks a waiver of HUD regulations must request a waiver from HUD in writing. The waiver request must specify the need for the waiver. Typically, the request is submitted to the HUD field office, which reviews the request and submits its recommendation to HUD headquarters. HUD headquarters then responds to the regulated party in writing. Since the damage to property and the displacement of families and individuals in the disaster areas is massive, and the need for relief from HUD requirements may be necessary, HUD will expedite the processing of waiver requests from MDD PHAs, providing for concurrent review by the HUD field office and HUD headquarters.

Waiver requests approved by HUD pursuant to this notice will be published in the Federal Register and will identify the MDD PHAs receiving such approvals.

## **II. Flexibilities that are Available to MDD PHAs**

HUD is exercising discretionary authority to provide relief from the requirements described in this section. Upon notification to HUD or upon HUD approval, as noted below, relief is granted to MDD PHAs. Relief from the requirements must benefit families affected by the disasters, for example by enabling MDD PHA staff to focus on relief and recovery efforts.

Section IV of this notice describes the process an MDD PHA must follow to provide notification to and/or to request approval from HUD. Such notification and/or request must be made by **[INSERT DATE 45 DAY AFTER OF PUBLICATION IN FEDERAL REGISTER]**.

**A. 24 CFR 905.306 (Extension of deadline for obligation and expenditure of Capital Funds).** Section 9(j)(1) of the Act requires PHAs to *obligate* capital funds not later than 24 months after the date on which the funds became available, or the date on which the PHA accumulates adequate funds to undertake modernization, substantial rehabilitation, or new construction of units, plus the period of any extension approved under section 9(j)(2) of the Act. Section 9(j)(5)(A) of the Act requires a PHA to *expend* capital funds not later than 4 years after the date on which the funds become available for obligation, plus the period of any extension approved under section 9(j)(2). Section 9(j)(2) of the Act authorizes the Secretary to extend the time period for the obligation of capital funds for such period as the Secretary determines necessary if the Secretary determines that the failure of the agency to obligate assistance in a timely manner is attributable to an event beyond the control of the PHA. The severe storms and flooding in Louisiana were beyond the control of MDD PHAs and caused such massive and widespread destruction and displacement that HUD is willing to extend the obligation deadline

under section 9(j)(1) of the 1937 Act pursuant to section 9(j)(2)(A)(v) of the Act for an additional 12 months, upon the request of an MDD PHA. The extension of the section 9(j) obligation and extension deadlines made in this notice also applies to the implementing regulation at 24 CFR 905.306.

**B. 24 CFR 984.105(d) (Family Self-Sufficiency minimum program size).** 24 CFR 984.105(d) defines the circumstances under which a PHA may, upon HUD approval, operate a program that is smaller than the required program size. HUD has determined that an MDD PHA's ability to operate a program that meets the minimum program size requirements may be infeasible due to circumstances related to MDD(s) 4263 and/or 4277. Upon the submission to HUD of a certification (as defined in 24 CFR 984.103), an MDD PHA will be exempt from the minimum program size requirement for a period of 24 months from the effective date of this notice.

**C. 24 CFR 990.145(b) (Public housing dwelling units with approved vacancies).** Section 990.145 lists the categories of vacant public housing units that are eligible to receive operating subsidy and are therefore considered to be "approved vacancies." Under Section 990.145(b), a PHA shall receive operating subsidy for units that are vacant due to a declared disaster, subject to prior HUD approval, on a project-by-project basis. If an MDD PHA has a unit that has been vacated due to severe storms and flooding, then the MDD PHA, with HUD approval, may treat the unit as an "approved vacancy." Upon the request of an MDD PHA and HUD approval, on a case-by-case basis, such units may be considered approved vacancies for a period not to exceed 12 months from the date of HUD approval.

### **III. HUD Requirements that may be Waived**

For an MDD PHA, HUD will review requests for waivers of HUD requirements on an expedited basis. This section lists requirements for which HUD anticipates receiving such requests. An MDD PHA may also request a waiver of a HUD requirement not listed in this section and receive expedited review of the request if the MDD PHA documents that the waiver is needed for relief and recovery purposes.

HUD expects that any waiver granted pursuant to this notice will benefit families affected by the disasters, for example by enabling MDD PHA staff to focus on relief and recovery efforts.

An MDD PHA seeking a waiver of a HUD requirement listed below or of any other HUD requirement needed to assist the MDD PHA in its relief and recover efforts must submit a waiver request pursuant to the process outlined in Section IV of this notice. HUD will not approve an MDD PHA's or other recipient's request to waive a fair housing, civil rights, labor standards, or environmental requirement. The request must be submitted to HUD not later than **[INSERT DATE 45 DAY AFTER OF PUBLICATION IN FEDERAL REGISTER]**.

**A. 24 CFR 5.512(d) (Verification of eligible immigration status; Secondary verification).** Section 5.512 describes the process by which verification of eligible immigration status must be undertaken for families seeking assistance under certain HUD programs. In circumstances under which secondary verification must be requested, Section 5.512(d) provides a PHA with 10 calendar days from the date of receipt of the results of the primary verification to request secondary verification from Immigration and Customs Enforcement (ICE). To initiate secondary verification, 24 CFR 5.512(d)(2) requires that the PHA provide ICE with “photocopies of the original [ICE] documents required for the immigration status declared (front and back), attached to the [ICE] document verification request form G-845S (Document Verification Request), or such other form specified by the [ICE].” HUD is willing to consider a

request from an MDD PHA to extend the timeframe for secondary verification requests to ICE to 90 calendar days, for any primary verification result received after the effective date of this notice where a secondary request is required, for a period not to exceed 12 months from the date of HUD approval.

**B. 24 CFR 5.801(c) and 5.801(d)(1) (Uniform financial reporting standards; Filing of financial reports; Reporting compliance dates).** Section 5.801 establishes uniform financial reporting standards (UFRS) for PHAs (and other entities). Section 5.801(c) requires that PHAs submit financial information in accordance with 24 CFR 5.801(b) annually, not later than 60 days after the end of the fiscal year of the reporting period. Section 5.801(d)(1) requires that PHAs submit their *unaudited* financial statements not later than 60 calendar days after the end of their fiscal year and that PHAs submit their *audited* financial statements not later than 9 months after the end of their fiscal year. HUD is willing to consider requests to extend these reporting deadlines. Specifically, for MDD PHAs with fiscal years ending September 30, 2016, December 31, 2016, and March 31, 2017, the deadline for submission of financial information in accordance with 24 CFR 5.801(b) and unaudited financial statements may be extended to 180 calendar days, and the deadline for submission of audited financial statements may be extended to 13 months.

**C. 24 CFR 902 (Public Housing Assessment System).** Part 902 sets out the indicators by which HUD measures the performance of a PHA. The indicators measure a PHA's physical condition, financial condition, management operations, capital fund obligation, and occupancy. For an MDD PHA that has a fiscal year end of June 30, 2016, September 30, 2016, December 31, 2016, or March 31, 2017, HUD is willing to consider a request to waive the inspection and scoring of public housing projects, as required under 24 CFR 902.

**D. 24 CFR 905.322(b) (Fiscal closeout).** Section 905.322(b) establishes deadlines for the submission of an Actual Development Cost Certificate (ADCC) and an Actual Modernization Cost Certificate (AMCC). Specifically, the ADCC must be submitted 12 months from the date of completion/termination of a modernization activity, and the AMCC must be submitted not later than 12 months from the activity's expenditure deadline. Upon request from an MDD PHA, HUD is willing to extend these deadlines by 12 months.

**E. 24 CFR 905.314(b)–(c) (Cost and other limitations; Maximum project cost; TDC limit).** Section 905.314(b)–(c) establishes the calculation of maximum project cost and the calculation of total development cost. In order to facilitate the use of Capital Funds for repairs and construction for needed housing in the disaster areas, HUD is willing to waive the total development cost (TDC) and housing cost cap limits for all work funded by the Capital Grant (Capital Grant Funds with undisbursed balances and HOPE VI funds) until issuance of 2017 TDC levels. MDD PHAs that request to waive this provision and receive approval to do so must strive to keep housing costs reasonable given local market conditions, based upon the provisions outlined in 2 CFR Part 200.

**F. 24 CFR 905.314(j) (Cost and other limitations; Types of labor).** This section establishes that non-high performer PHAs may use force account labor for modernization activities only when the use of force account labor for such activities has been included in a Board-approved Capital Fund Program 5-Year Action Plan. HUD is willing to waive this requirement to allow for the use of force account labor for modernization activities even if this activity has not been included in the non-high performer MDD PHA's 5-Year Action Plan. This waiver will be in effect for a period not to exceed 12 months from the date of HUD approval.

**G. 24 CFR 905.400(i)(5) (Capital Fund Formula; Limitation of Replacement Housing Funds to New Development).** Section 905.400 describes the Capital Fund formula. Section 905.400(i)(5) limits the use of replacement housing funds to the development of new public housing. To help address housing needs as a result of the displacement caused by the severe storms and flooding, HUD is willing to waive 905.400(i)(5) to allow all Capital Fund Replacement Housing Factor Grants with undisbursed balances to be used for public housing modernization. This waiver will be in effect for funds obligated within 12 months from the date of HUD approval.

**H. 24 CFR 960.202(c) (Tenant selection policies) and 982.54(a) (Administrative plan).** Section 960.202(c) provides that public housing tenant selection policies must be duly adopted and implemented. Section 982.54(d) provides that a PHA's Section 8 administrative plan must be formally adopted by the PHA Board of Commissioners or other authorized PHA officials. For temporary revisions to an MDD PHA's public housing tenant selection policies or Section 8 administrative plan that an MDD PHA wishes to put into place to address circumstances unique to relief and recovery efforts, HUD is willing to consider requests to waive the requirements for formal approval. Any waiver request must include documentation that an MDD PHA's Board of Commissioners or an authorized MDD PHA official supports the waiver request and must identify the temporary revisions, which shall be effective for a period not to exceed 12 months from the date of HUD's approval. Additionally, any waiver request is limited to revisions that do not constitute a significant amendment or modification to the MDD PHA plan; pursuant to Section 5(A)(g) of the 1937 Act, HUD cannot waive the approval by the board or other authorized PHA officials if the proposed revision would constitute a significant

amendment or modification to the PHA plan. Finally, HUD cannot waive any terms within a PHA's own plan or state law requiring the approval of the board or authorized PHA officials.

**I. 24 CFR 965.302 (Requirements for energy audits).** This section establishes the requirement that all PHAs complete an energy audit for each PHA-owned project under management, not less than once every 5 years. HUD is willing to consider a request for an additional 12 months after December 31, 2016, to complete such an audit.

**J. 24 CFR 982.206(a)(2) (Waiting List; Opening and closing; Public notice).** This section describes where a PHA must provide public notice when it opens its waiting list for tenant-based assistance. HUD is willing to consider a request from an MDD PHA that wishes, in lieu of the requirement to provide notice in a local newspaper of general circulation, to provide public notice via its Web site, at any of its offices, and/or in a voice-mail message, for any opening of the waiting list for tenant-based assistance that occurs within a period not to exceed 12 months from the date of HUD approval. MDD PHAs that request a waiver of this requirement and receive HUD approval must consider the fair housing implications of the means by which they choose to provide public notice. For example, an MDD PHA that chooses to provide public notice at its offices must consider the impact on persons with disabilities, who may have difficulty visiting the office in-person. Similarly, an MDD PHA that chooses to provide public notice via voice-mail message must consider how it will reach persons with hearing impairments and persons with limited English proficiency. HUD maintains the requirement that an MDD PHA must also provide the public notice in minority media. Any notice must comply with HUD fair housing requirements.

**K. 24 CFR 982.503(c) (HUD approval of exception payment standard amount).** 24 CFR 982.503(c) authorizes HUD to approve an exception payment standard amount that is

higher than 110 percent of the published fair market rent (FMR). Typically, a PHA must provide data about the local market to substantiate the need for an exception payment standard. In a natural disaster situation, however, the typical data sources fail to capture conditions on the ground. In these cases, HUD takes into account the most recently available data on the rental market, prior to the disaster, then estimates the number of households seeking housing units in the wake of the disaster to arrive at an emergency exception payment standard amount. For Louisiana, American Community Survey data at the parish level show that, within the state of Louisiana, only 52,209 vacant-for-rent units were available as of 2014. As part of its response to the severe storms and flooding that occurred in 2016, the Federal Emergency Management Agency had issued 63,307 rental vouchers as of late September 2016, pushing the effective rental vacancy rate in Louisiana to zero. HUD has decided, based on this data, that exception payment standard amounts up to 150 percent of the FMR are justified and that an MDD PHA may therefore request a waiver to establish an exception payment standard up to 150 percent of the FMR without providing supporting data. Upon approval by HUD, an exception payment standard adopted pursuant to this notice may be adopted for any Housing Assistance Payment (HAP) contract entered into as of the effective date of this notice. HUD intends for these exception payment standards to remain in effect until such time as HUD implements changes to the FMRs in the affected areas. MDD PHAs are reminded that increased per-family costs resulting from the use of exception payment standards may result in a reduction in the number of families assisted or may require other cost-saving measures in order for an MDD PHA to stay within its funding limitations.

**L. 24 CFR 982.401(d) (Housing quality standards; Space and security).** This section establishes a standard for adequate space for an HCV-assisted family. Specifically, it requires

that each dwelling unit have at least 1 bedroom or living/sleeping room for each 2 persons. HUD is willing to consider a request from an MDD PHA that wishes to waive this requirement in order to house families displaced due to the severe storms and flooding. The waiver will be in effect only for HAPs entered into during the 12-month period following the date of HUD approval, and then only with the written consent of the family. For any family occupying a unit pursuant to this waiver, the waiver will be in effect for the initial lease term.

**M. 24 CFR 982.633(a) (Occupancy of home).** This section establishes the requirement that PHAs may make HAP for homeownership assistance only while a family resides in their home and must stop HAP no later than the month after a family moves out. HUD is willing to consider a request from an MDD PHA wishing to waive this requirement to allow families displaced from their homes located in areas affected by MDD(s) 4263 and/or 4277 to comply with mortgage terms or make necessary repairs. A PHA requesting a waiver of this type must show good cause by demonstrating that the family is not already receiving assistance from another source. Note: An MDD PHA that wishes in addition to request a waiver of the requirement at 982.312 that a family be terminated from the program if they have been absent from their home for 180 consecutive calendar days must do so separately.

**N. 24 CFR 984.303(d) (Contract of participation; contract extension).** Part 984 establishes the requirements for the Section 8 and Public Housing Family Self-Sufficiency (FSS) Program. Section 984.303(d) authorizes a PHA to extend a family's contract of participation for a period not to exceed 2 years, upon a finding of good cause, for any family that requests such an extension in writing. HUD is willing to consider a request from an MDD PHA that wishes to extend family contracts for up to 3 years, if such extensions are merited based on circumstances deriving from MDD(s) 4263 and/or 4277. Any waiver granted pursuant to this request will be in

effect for requests made to the MDD PHA during a period not to exceed 12 months from the date of HUD approval.

**O. 24 CFR part 985 (Section 8 Management Assessment Program (SEMAP)).** Part 985 sets out the requirements by which section 8 tenant-based assistance programs are assessed. For an MDD PHA that has a fiscal year end of September 30, 2016, December 31, 2016, or March 31, 2017, HUD is willing to consider a request to carry forward the SEMAP score from the previous year.

**P. Notice PIH 2012–10, Section 8(c) (Verification of the Social Security Number (SSN)).** PHAs are required to transmit form HUD–50058 not later than 30 calendar days following receipt of an applicant’s or participant’s SSN documentation. HUD is willing to consider a request to extend this requirement to 90 calendar days, for a period not to exceed 12 months from the date of HUD approval.

#### **IV. Notification and Expedited Waiver Process — Instructions**

HUD has developed a checklist (Attachment A to this notice) that an MDD PHA must complete and submit in order to take advantage of the provisions identified in this notice and the expedited review of waiver requests. Each provision on the checklist indicates the documentation that must accompany the MDD PHA’s submission. Each request for a waiver (Section 3 of the checklist) must include a good-cause justification stating why the particular waiver is needed for the PHA’s relief and recovery efforts.

To complete the checklist, take the following steps:

1. Download the checklist to your computer, saving the document with the following filename: FR-5987-N-01.Your Agency’s HA Code (e.g., FR-5987-N-01.MI001).

2. Complete the section titled Information about Requesting Agency. This section must be complete. An official of the MDD PHA must sign where indicated. If the information about the requesting agency is incomplete or the checklist has not been signed, then the checklist will be returned without review.
3. Complete Sections 1, 2, and/or 3 of the checklist, as applicable, noting the documentation (if any) that accompanies each provision.
4. Address an email to both Louisiana\_Disaster\_Relief@hud.gov and your Field Office Public Housing Director. In the subject line, type “Louisiana Disaster Relief.”
5. Attach the completed checklist to your email.
6. Click “Send.”

Checklists and any supporting documentation or information must be submitted not later than **[INSERT DATE 45 DAY AFTER OF PUBLICATION IN FEDERAL REGISTER]**. Requests submitted after **[INSERT DATE 45 DAY AFTER OF PUBLICATION IN FEDERAL REGISTER]** will not be considered, nor will HUD consider any waiver requests submitted to this email address that are unrelated to relief and recovery efforts.

### **IX. Finding of No Significant Impact**

A Finding of No Significant Impact (FONSI) with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50, which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)). The FONSI is available for public inspection between 8 a.m. and 5 p.m. weekdays in the Regulations

Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street, SW, Room 10276, Washington, DC 20410-0500. Due to security measures at the HUD Headquarters building, an advance appointment to review the docket file must be scheduled by Calling the Regulations Division at 202-708-3055 (this is not a toll-free number). Hearing- or speech-impaired individuals may access this number through TTY by calling the Federal Relay Service at 800-877-8339 (this is a toll-free number).

My agency requests a waiver of 24 CFR 905.322(b) to extend the deadline for submission of the Actual Development Cost Certificate and the Actual Modernization Cost Certificate by 12 months.

— **E. 24 CFR 905.314(b)–(c) (Cost and other limitations; Maximum project cost; TDC limit). (Office of Capital Improvements)**

My agency requests a waiver of 24 CFR 905.314(b)–(c), which establish the calculation of maximum project cost and total development cost limits for the Capital Fund program. I understand that this waiver is in effect only until such time as 2017 TDC limits have been published.

— **F. 24 CFR 905.314(j) (Cost and other limitations; Types of labor) (Office of Capital Improvements)**

My agency requests a waiver of 24 CFR 904.314(j) to allow for the use of force account labor for modernization activities even if this activity has not been included in our agency's 5-Year Action Plan. I understand that this waiver will be in effect for a period not to exceed 12 months from the date of HUD approval.

— **G. 24 CFR 905.400(i)(5) (Capital Fund Formula; Limitation of Replacement Housing Funds to New Development) (Office of Capital Improvements)**

My agency requests a waiver of 24 CFR 905.400(i)(5) to allow for the use of Capital Fund Replacement Housing Factor grants with undisbursed balances for public housing modernization. I understand that this waiver will be in effect only for funds obligated within 12 months from the date of HUD approval.

— **H. 24 CFR 960.202(c) (Tenant selection policies) and 24 CFR 982.54(a) (Administrative plan). (Housing Voucher Management and Operations; Public Housing Management and Occupancy)**

My agency requests a waiver of 24 CFR 960.202(c) and/or 24 CFR 982.54(a) so that our public housing tenant selection policies and section 8 administrative plan may be revised on a temporary basis, without formal approval, to address circumstances unique to relief and recovery efforts. I have attached documentation that our Board of Commissioners or an authorized PHA official supports the waiver request. I have also attached documentation identifying the temporary revisions. The adoption of these revisions does not constitute a significant amendment to our PHA plan, nor does state law prevent us from adopting the revisions without formal approval. I understand that these revisions will be in effect for a period not to exceed 12 months from the date of HUD's approval.

\_\_\_ **I. 24 CFR 965.302 (Requirements for energy audits).** (Public Housing Management and Occupancy)

My agency requests a waiver of 24 CFR 982.206(a)(2) so that we can provide public notice of the opening of our waiting list via our Web site, at any of our offices, and/or in a voice-mail message in lieu of providing notice in a local newspaper of general circulation. I understand that this waiver is in effect for a period not to exceed 12 months from the date of HUD approval.

\_\_\_ **K. 24 CFR 982.503(c) (HUD approval of exception payment standard amount).** (Housing Voucher Management and Operations)

My agency requests to establish an exception payment standard amount that is higher than 110 percent of the published fair market rent (FMR). I have attached our proposed emergency exception payment standard schedule, which shows both the dollar amounts requested and those amounts as a percentage of the FMRs in effect at the time of the request. I understand that any approved exception payment standard will remain in effect until such time as HUD revises the FMRs for the area. I also understand that increased per-family costs resulting from the use of such exception payment standard may result in a reduction in the number of families assisted or may require my agency to adopt other cost-saving measures.

\_\_\_ **L. 24 CFR 982.401(d) (Housing quality standards; Space and security).** (Housing Voucher Management and Operations)

My agency requests a waiver of 24 CFR 982.401(d) so that we may allow families to occupy units that are smaller than our occupancy standards would otherwise dictate. I understand that this waiver is in effect only for HAPs entered into during the 12-month period following the date of HUD approval, and then only with the written consent of the family.

\_\_\_ **M. 24 CFR 982.633(a) (Occupancy of home).** (Housing Voucher Management and Operations)

My agency requests a waiver of 24 CFR 982.633(a) so that we may continue HAP for homeownership for families displaced from their homes if needed to comply with mortgage terms or make necessary repairs. We have determined that the family is not receiving assistance from another source. I understand that such payments must cease if the family remains absent from their home for more than 180 consecutive calendar days.

Management and Occupancy; Housing Voucher Management and Operations)
